Office Memorandum

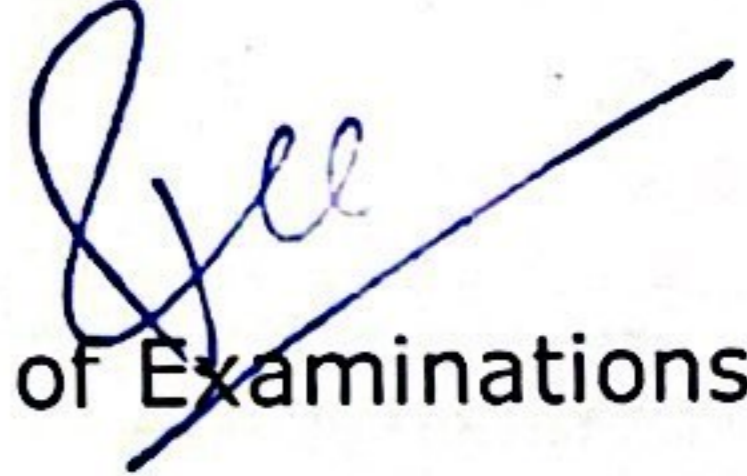

Subject: Resolution of Previous Semester Examination Mark Sheet Discrepancies

Various representations have been received from Parents, Students, faculty members and Campus Directors regarding the unavailability of previous semester examination results and mark sheets due to the non-operational ERP System of the University.

It has been identified that the non-operational ERP System is a result of the discontinuation of the contract with the previous vendor, M/s STL Infotech Pvt Ltd.

University acknowledges the critical importance of timely access to academic records for students' academic progress and career endeavors. As such, immediate action has been taken by the university to address this issue. To rectify this situation, a system has been developed to ensure the timely resolution of previous semester examination results.

The administration assures all stakeholders that every effort is being made to expedite the result declaration. The university is committed to providing accurate results and mark sheets at the earliest possible opportunity.
